The Newsletter of the
Wilson County Genealogical Society

The Board of Directions of WCGS authorized publication of the annual volumesof Trees in November 2000. We are pleased to bring you these volumes which bring together for the first time all issues in a given year, or range of years in the case of 1992-93.

Please note that an index for the previous year has been included in most years as part of the March issue. For that reason, you will find a gap in the pages for your March issue. Nothing is missing. The index has simply been moved to the annual volume for the corresonding year. You will find the same situation for the annual membership / surname list. We have not included these lists for any volumes; however, you may note the missing page numbers from a spring issues of some years, usually the April issue.

As noted in the paragraph above, each annual volume includes an index for that year, bound at the back of the volume.

Membership in the Wilson County Genealogical Society is open to anyone interested in the heritage of Wilson County families. Membership information may be obtain from WCGS at P.O. Box 802, Wilson NC 27894-0802. The present internet address is http://www.wcgs.org. The email address is ancestor@wcgs.org.

The Society meets monthly on the 4th Tuesday, January through May, and September through November. Meetings are usually held in the meeting room at the Wilson County Public Library on Nash Street in Wilson. There is a social meeting in June of each year at a location announced prior to that meeting.

Members of the Society are invited to submit articles and items of interest for publication in Trees of Wilson. Acceptance of these items is subject to approval of the editors and is based on suitability and potential interest.

CHECK THE SIBLINGS:
One of the important strategies in genealogical research is to search for the siblings (brothers and sisters)

Here is an example of what you can do with this strategy.

The 1850 census shows that my grandfather Harris Daniel was the son of David and Sarah Daniel. Who was Sarah? When asked, Daniel family, researchers said that David Daniel married Sarah Fulghum. When asked Fulghum family researchers said that Sarah Fulghum married David Daniel. OK. But what about documentation?

The 1850 census gives the birth date of David and Sarah's first child as being 15 November, 1819. At that date the marriage records consisted of marriage bonds and sometimes an attached marriage certificate. Unfortunately, only 22 marriage bonds for Wayne County are still available, and they do not include David and Sarah.

Both David and Sarah died before deaths were recorded in North Carolina, so there is no death certificate to record their marriage.

Now back to the 1850 census. The listing of the family of David and Sarah shows that my grandfather had a younger sister named Rebecca. The marriage bonds are on record to show the marriage of Rebecca to Raymond Eatman. The bond was signed by her father David.

Rebecca (Daniel) Eatman was very thoughtful! She lived until 1923. so her death was recorded and shows that her mother was Sarah Fulghum. Thank you Rebecca!

(I have the documentation as to whom David married. But I still need the documentation of the parents of Sarah Fulghum. I can document that Jacob Fulghum had a daughter named Sarah born at the right time. I have deeds showing transactions between David and Jacob, but neither was considerate enough to state their relationship. Both groups of researchers mentioned above insist that the Sarah who married David was the daughter of Jacob. but no written evidence.)

PASSENGERS FROM LONDON

In February 1774 the vessel "Union", with William Combs master, left the port of London sailing for North Carolina with, among others, the following passengers:

David Wilson, 38, of London, John Macklin, 24, of Oxford. Mary Macklin, 23, of Oxford, Lewis Ogier, 47, of London, Catherine Ogier, 40, wife of preceding, of London, Thomas Ogier, 20, of London, Lewis Ogier, 19, of London, Catherine Ogier, 16, of London, Lucy Ogier, 13, of London, Charlotte Ogier, 9, of London, John Ogier, 8, of London, Mary Ogier, 6, of London, Peter Ogier, 5, of, London.

The port records of New Bern show that the "Sally", the "Evergreen" and the "Littlejohn" each listed with a William Combs as master used that port during that period.

At the same time there was also a William Combs resident in eastern North Carolina who was ancestor to a large portion of the Combs now living in eastern NC including Wilson and Wayne Counties.

Were there five separate William Combs? Or were some or all the same man?

NOTICE !!!!!!!

THE NEXT MEETING OF THE WILSON COUNTY GENEALOGICAL SOCIETY WILL BE HELD ON MAY 26, 1992 IN THE MEETING ROOM OF THE WILSON COUNTY PUBLIC LIBRARY AT 7:00 PM. PLAN TO JOIN US..

Dear Members,

I desperately need your help in planning programs. I am glad to do the calling and make the arrangements but I need to know what you are inte est in and I NEED SOME CONTACTS. I do not know the people to can give us programs. I have called the archives in Raleigh and they will give us three programs next year but we need to plan when and what topics. We will need programs for eight meetings. Here are some ideas I have come up with.

Civil War, Revoultionary War, War 1812, Indian Wars, and Etc.--Where to find records, whats available, how to join organizations affiliated with them.

Where to find ships records and other immigration records.

How to research in other states, especi irginia. Which counties in VA were central and eastern NC immigrants most likely to come from and how to research those records.

A photo work session.

Information on the new computer system in the Archives.

How to access the records and understand them at other research places like Chapel Hill, the land office etc.

Work sessions on correlating and combining records for certain family names such as Barnes. We could also do this as special meetings on another day or night and only those interested attend.

How to get the most from census records, or land records, wills, estate papers, etc. Where to find the old land maps and how to understand them. We could also do special field trips to these places for a day of instruction and research.

How to read and understand the most common handwriting and spelling differences in the 1700's and 1800's.

Please prepare a list of your interests. Choose from those above or think of others. Bring it to the May meeting. Please, please, please try to think of someone I could call for programs and include phone number. We will discuss and plan programs at the [illegible] meeting.

Your greatly unqualified program chairman will be very grateful for your help.

Kathy Holloman, 287-2873

A DASH FOR LIBERTY.

ON SUNDAY, WHEN TILGHMAN McGOWAN ENTERED THE JAIL TO FEED THE PRISONERS, HE VERY CARELESSLY LEFT THE DOORS OPEN, WHEN CHARLES SIMMS STEPPED OUT, TURNED THE KEYS ON THE COLORED JAILOR, AND MADE A WILD AND FURIOUS DASH FOR LIBERTY. HE RAN BEHIND HACKNEYS CARRIAGE SHOPS, AND SOUGHT REFUGE UNDER DOUG HACKNEYS DWELLING. IMMEDIATELY THAT WHOLE BLOCK WAS SURROUNDED AND SEARCH MADE FOR SIMMS. WHEN HIS HIDING PLACE WAS DISCOVERED HE MADE ANOTHER DASH AND RAN INTO THE FOND EMBRACE OF THE WAITING JAKE EDWARDS, WHO THEN PURSUADED AND INDUCED CHARLES TO ABANDON HIS PERIGRINATIONS.
